

Registration

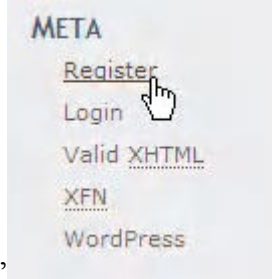

You do not have to register to this blog to read it but by registering you will be able to subscribe to any or all of the different message listed under the “TAGS” header in the

right sidebar.

To register to this blog:

1. Click “Register” located in the sidebar to the right under

“META”

2. Enter a username and a valid email address and click the “Register”

A screenshot of the WordPress registration form. At the top is the WordPress logo and the text "WORDPRESS". Below that is the heading "Register for this blog". There are two input fields: "Username:" and "E-mail:". Below the "E-mail:" field is the text "A password will be emailed to you." At the bottom right is a button labeled "Register »". At the bottom left are three links: "« Back to blog", "Login", and "Lost your password?".

button.

3. A password will be mailed to you. Check your email and click the url in the email.

4. You will be taken to the confirmation page. Click the Login

button.

5. Enter your username and the password that was emailed to you and click the

Login button.

6. You will be taken to the "Dashboard / Profile" page.
7. Enter any information in this screen that you wish. You may change your password here. Click the "Update Profile" button at the bottom of the screen if you entered or changed any information.

8. Click the “Subscriptions” tab at the upper left corner of the

- page.
9. You are now at the Subscription Notification page. Here you can set your email notification options. Select how you wish to receive your email and whether you want an excerpt of the posting or the full message as posted.

Notification Settings

Receive email as: HTML Plain Text

Email contains: Excerpt Only Full Post

Note: HTML format will always deliver the full post.
